## RHYME WITH STYLE

My little cousin Max just received a Nursery Rhyme Tease packet - an adorable T-shirt and accompanying book on the Itsy Bitsy Spider. Max is a little over 1 and very much enjoys wearing his colorful T shirt, while his mom and dad read the book to him.

Innovative idea! Heather Sievers, a teacher-turned-mom gal from Fountain Valley, thought of this concept.

"I think it is fun to incorporate literacy and the joy of reading along with high fashion," Sievers said. With Nurs-

ery Rhyme Tease, kids can read a good book and look cool, too!

EIEIO, Itsy Bitsy Spider, Had A Great Fall and The Cow Jumped Over the Moon are all available in sizes 6m to 5/6.

Nursery Rhyme Tease are packaged in snap-flap vinyl cases and include an original tee and a corresponding board book. All of the artwork is original and printed on very high quality, tagless cotton T-shirts.
